STRONGHOLD QUICK START INSTRUCTIONS:

IN DOS:

1 Place the CD-ROM into the CD-ROM drive.
NOTE: *If your CD-ROM drive uses a "caddy" insert the disc into the caddy. Take care not to insert the disc into a floppy drive as it can damage both the disc and computer.*

2 Type D: and press ENTER
(where D is the letter that designates your CD-ROM drive).

3 Type GO and press ENTER.

A menu with different choices will appear on the screen. Use the arrow keys or "Hot Keys" to select one of the choices and press ENTER. The "Hot Keys" appear in bold in the menu below.
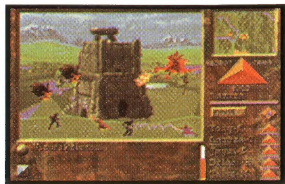

The menu items appear as follows:

Install Stronghold
Stronghold Manual
Manual Addendum
Building Info
Code Word Sheet
Exit Installer

NOTE for Windows 95 Users: *Be sure to boot in either DOS mode or use the DOS shell available in Windows 95. If you are uncertain how to boot DOS or use the DOS shell, consult your Windows 95 manual.*

STRONGHOLD

Build, expand and maintain a kingdom with this easy-to-use kingdom simulator. You'll deal with all the details of running your domain: construction, farming, population, housing, taxes, troops, morale, changing seasonal conditions - as well as a host of D&D game monsters. Lead your kingdom in battle against computer controlled adversaries - defeat them all and become Emperor!
